

OIL FIELD FENCING
★ **TUFF** ★
30
A BETTER PRODUCT AT A BETTER PRICE

A PRODUCT OF:

A BETTER PRODUCT
— AT A BETTER PRICE —

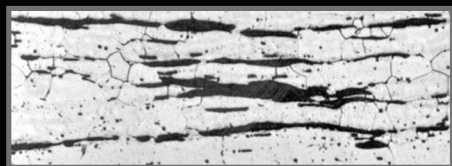

WHY CHOOSE **TUFF 30** FRAMEWORK?

Saves you money while outperforming Import Schedule 40 pipe
Specifically engineered for oil field application
Makes you more competitive and more profitable, without sacrificing quality
Stronger yet less expensive than Import Schedule 40 pipe
Same proven characteristics as Tuff 40
Meets and exceeds Import Schedule 40

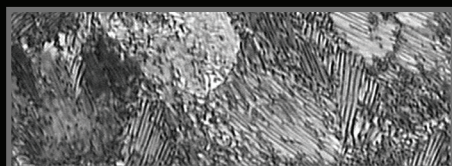

THE DIFFERENCE IS WHAT'S IN THE STEEL: LOW CARBON:

IMPORTED SCHEDULE 40

HIGH CARBON:

TUFF 30

AGENCIES WHO APPROVE TUFF 30:

UNIFIED FACILITIES GUIDE (DEPARTMENT OF DEFENSE)
DEPARTMENT OF JUSTICE (PRISONS)
AMERICAN STANDARD (ASTM)
DEPARTMENT OF TRANSPORTATION (DOT)
AMERICAN STATE HIGHWAYS (TRANSPORTATION)
FEDERAL SPECIFICATIONS (GOVERNMENT)

CHECK LIST

FOR COMPARISON

Gives you a competitive edge
Separates you from your competition
